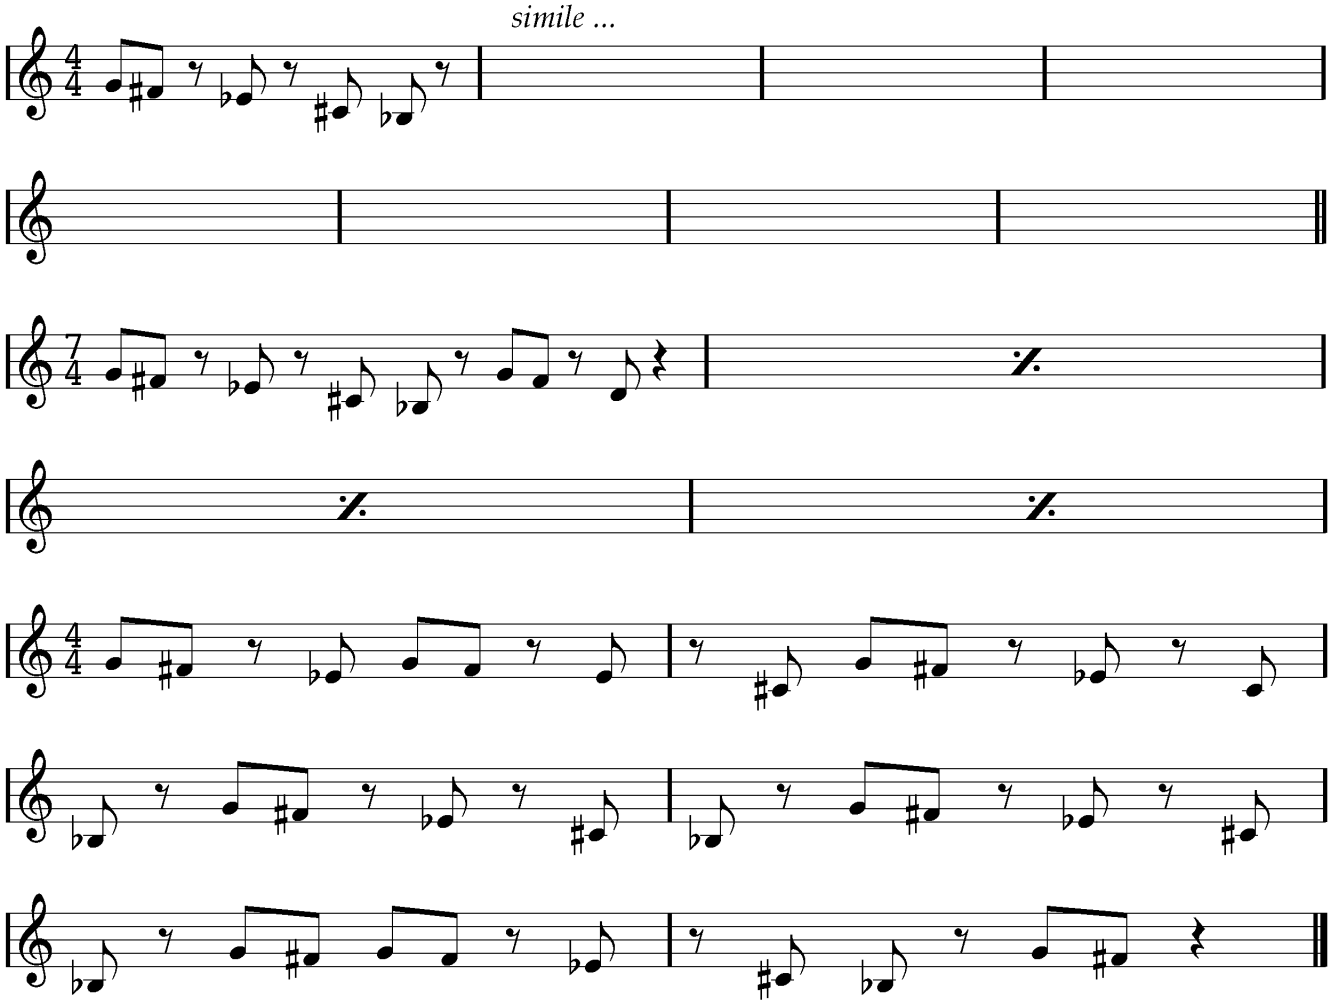
# Key Riff Key West

Michael Schreiber

♩= 240



I am here 'cause I move
I am there 'cause I move
I am now 'cause I move
I am then 'cause I move

I'm the minute 'cause I move
I'm the hour 'cause I move
I'm the day 'cause I move
I'm the month 'cause I move
I'm the moment 'cause I move
I'm the year 'cause I move
I'm an era 'cause I move
I'm eternity when I don't

I'm the mile 'cause I move
I'm the meter 'cause I move
I'm the weight 'cause I move
I'm a square foot 'cause I move
I'm a flatfoot  sometimes too
I'm escape velocity
I stand still 'cause I move
I'm the lightyear 'cause I move
I'm eternity when I don't

I'm the bullet in your gun
I'm the flavour in your gum
I'm the starlight that has not
reached you yet
I am all that ever is
I'm material
